We are The Arc Grosse Pointe, Harper Woods.

We are here to provide support to persons with intellectual disabilities and their families. Currently, we provide the following for our community:

1. Own two group homes for persons with intellectual disabilities
2. Financial support for respite care
3. Financial support for scholarships for special equipment or experiences
4. Recreational activities through dances, movies and the F.R.I.E.N.D. events
5. Access to help finding services
6. Support for Full Circle to promote economic independence through job experiences
7. Advocacy services (assistance finding help to get what you think you need)
8. Financial assistance to attend conferences
9. Support of athletic experiences through GP/HW Community Special Olympics

Are we providing the help that ***YOU*** need? Can we do ***BETTER !***

Please let us know other things that we could do to help you by describing them here.
